

# HAWAII

**DATE** | 23-24 April 2026

**LOCATION** | Honolulu, Hawaii

**REGISTER** | [vTools link here](#)  
**\*First Come First Serve\***

ICOP is an opportunity for IEEE members to engage directly with congressional staff on critical tech policies. It's a unique chance to influence the future of engineering and technology in our community by advocating for innovation and research support.

## Participants learn to:

- **Influence Policy** - Advocate IEEE-USA policy priorities.
- **Increase Young Professional Engagement**
- **Enhance Visibility** - Boost IEEE-USA presence in key regions
- **Strengthen Partnerships** - Develop relationships in industry & the corporate world.
